

## EMTF Tournament procedure

### Scoring the competitors FORMS

There will be a minimum of 3 (could be up to 5) judges. The head judge is positioned in the centre and controls the ring.

This includes the start of the form and the calling for the display of points. The contestant will come to the edge of the ring, bow and move on to the ring and await instruction at his place. Upon completion of the form the score keeper will call "SCORE" at which time all judges will display their score. The score keeper will announce each score as they are recorded so that if there is mis-reading of a judges score it can be corrected immediately. The score keeper will write down all 3 (or more) scores.
